## **PUBLICATION POLICY**

### **Aim & Scope**

This publication aims to promote high-quality, original research in the fields relevant to the theme of the volume. It encourages interdisciplinary perspectives and critical scholarship.

### **Submission Guidelines**

- Submissions must be original and unpublished
- Manuscripts can be in English or Bengali
- Proper citation style (MLA/APA/Chicago as specified) must be followed

### **Plagiarism & AI Policy**

- The similarity index must be below 10% • AI-generated content must be below 20%.
- Submissions exceeding these limits may be rejected or returned for revision.

### **Peer Review Process**

- All submissions undergo a double-blind peer review • Each paper is evaluated by at least two experts

### **Review criteria include:**

- Originality • Relevance to theme • Methodological rigor • Language and clarity
- Authors may be asked to revise their manuscripts based on reviewers' comments

### **Editorial Responsibility**

The editorial board ensures:

- Fair and unbiased review • Confidentiality of submissions • Academic integrity
- Final decision rests with the Editor/Editorial Board

### **Publication Ethics**

- Strict adherence to academic integrity and ethical standards
- No plagiarism, data fabrication, or duplicate submission
- Authors must acknowledge all sources properly

### **Copyright & Licensing**

- Authors retain copyright of their work
- Publisher holds the right to publish and distribute
- Proper credit will always be given to authors

### **Publication Charges**

- No submission fee
- A nominal publication charge (if applicable) will be communicated only after acceptance. Charges, if any, are used solely for:
  - Printing • ISBN registration • Basic production costs

### **ISBN & Publication Details**

- Each volume will be assigned a valid ISBN
- Published under a recognized imprint
- Both print and e-book versions may be available

### **Author Benefits**

- Complimentary copy/copies for contributors (if applicable)
- Certificate of publication
- Wide academic visibility

**Disclaimer:** Views expressed in the chapters are solely those of the authors. The publisher/editor is not responsible for individual opinions.
